

Stay connected during COVID-19 with messages of support, faith and encouragement through **Tell Us Now**.

Visit www.VidantHealth.com/TellUsNow and scroll to the bottom of the page to fill in the form:

- Type your **loved one's** full name
- Add your phone number or email so we can contact you if needed
- Type in the patient's unit/area, select "**Family Member**" and select "**Card**" from each of the drop-down menus
- Type the name of the **hospital** in the comment section and then type your message with **your name** at the end
- Verify that you are not a robot and Click **submit**

Vidant will then deliver your message in a personalized card.

You may also visit your loved ones by cell phone or through apps like FaceTime (iPhone users), Facebook Messenger, Skype, Google Duo

Your love makes a difference. Please share it with the ones you love.
