Advance Care Planning For Health Care Decisions/Preferences

3/05/20

5/07/20

9/24/20

11/05/20

Think about what matters most to you with your health care preferences, talk about what matters most with your family, write it down by completing your advance directives, share the documents with your family and review the documents periodically.

During these educational events, certified facilitators, NOTARY and witnesses will be available at **no charge** to assist you with completion of your Health Care Power of Attorney and Living Will documents.

No Pre-registration is required. Advance Care Planning Toolkits containing the legal documents will be provided on-site. Please visit:

www.vidanthealth.com/advancecare to preview the Toolkits and/or access additional information.

Questions? Please call (252) 794-6390

Photo ID is required for the completion of documents. *If you've already completed your advance directives and would like to have them scanned in to your health record, please arrive 15 minutes before the end of the presentation.
