When you or a loved one has a stroke, you don’t have time to wonder what you should do.

You need answers.

You need experts who can provide compassionate care.

Vidant Health is proud to offer top-notch neurological services across eastern North Carolina, and that includes a strong network of expert stroke care. This is especially important since stroke is a serious health concern that occurs all too frequently in our communities. A number of our hospitals have earned special stroke certifications, and all are connected by Telestroke, a system that uses videoconferencing and diagnostic imaging review to quickly evaluate and treat stroke.

We hope this guide serves as a resource to help you find the answers and services you need, in order to support your best recovery.
Spot the signs of a stroke.

Call 911 if you see these signs happening to someone.

B - Balance loss
E - Vision changes
F - Face drooping
A - Arm weakness
S - Speech difficulty
T - Time to call 911

Vidant Medical Center is proud to be a certified Comprehensive Stroke Center.
NATIONAL STROKE RESOURCES

American Heart Association
https://www.heart.org

For more heart-health related information, visit this website.

American Stroke Association
http://www.strokeassociation.org/STROKEORG/

STROKE SUPPORT NETWORKS AND GROUPS
Come join our Outpatient Stroke Support Network!

Vidant Medical Stroke Center has the longest standing stroke support network in eastern North Carolina. The support network provides networking, support and education for stroke survivors and their families.

Share your story.

It matters not only to us, but to other stroke survivors, too. Our support network provides a comfortable environment for people to talk about their journey to stroke recovery.

Learn more about your stroke.

There’s a lot to learn after a stroke and new information can be too much to absorb in the hospital or during rehabilitation. Our support network is an opportunity for continued education and awareness.

We can’t wait to see you.

Second Thursday of Each Month
6 P.M. - 8 P.M.
Monroe AHEC Conference Center
2000 Venture Tower Drive
Greenville, NC 27834

For more information or to receive monthly notices of meetings, please call (252) 947-0571 or email Michele.Horvath@vidanthlth.com
Stroke Survivor Support Group

Vidant Chowan Hospital hosts a stroke support group the third Tuesday of each month at 3:00 PM in the Chowan Ag Building/Co-op Extension.

Open to all survivors and their caregivers, it is an opportunity to offer encouragement and give people a chance to meet others who are experiencing similar challenges. It is free of cost to participate.

This informal event will serve as a chance for people to share stories, experiences, and challenges associated with their stroke recovery. Participants are not required to share and can simply listen if that is how he/she chooses to participate.

Please join us for companionship and inspiration.

No need to RSVP, but if you need more information, please call Jack or Jordan in the Rehabilitation Department at 482-6767.
