

VIDANT MEDICAL CENTER
RECREATIONAL THERAPY CLINICAL INTERNSHIP PROGRAMS
Recreational Therapy and Recreational Therapy Assistant Programs

Recreational Therapy at Vidant Medical Center offers internships in the following areas:

- (1) Behavioral Health Services -- 52 beds – Intellectual Development Disorder (IDD) Geriatric, Acute Psychiatry, and Adult Services
- (2) Rehabilitation – 55 beds -- Stroke, Spinal Cord Injury, Brain Injury, Pediatric Rehab treatment and Day Treatment Services
Aquatics -- Inpatient & Outpatient Services provided
- (3) Medical/Surgical -- 950 beds -Includes coverage of selected trauma, Ob/Gyn, Cancer, Cardiac and medically acute diagnoses of patients located in the acute service areas.

During the 14-week program, interns will function as an integral part of an interdisciplinary team, while assisting in the implementation of a quality Recreational Therapy program to include assessment, documentation, program planning, implementation and evaluation. Interns also participate in Recreational Therapy staff team building and educational opportunities. Interns will be required to complete 560 hour/14 weeks for Recreational Therapy Programs.

Recreational Therapy Assistant Program interns are required to complete 380 hours with a minimum of 25 hours weekly for 14 weeks.

The RT internship program at Vidant adheres to standards set by the State of NC TRCB, NCTRC, and the student's university. All supervising staff members are certified by NCTRC, licensed by the State of NC Licensure Board, and have a minimum of one year experience at Vidant Medical Center.

To apply for an R.T. internship at Vidant, e-mail your letter of intent, resume and your application to Deborah.Marshburn@vidanthealth.com.

Please send only one application with your 1st and 2nd choices in the areas that you are applying for.
