Prescription Refills on the Go

With the mobileRx® app, you can request refills from anywhere at any time from your iPhone® or Android™ phone.

Android

iPhone

Setup, App Version –

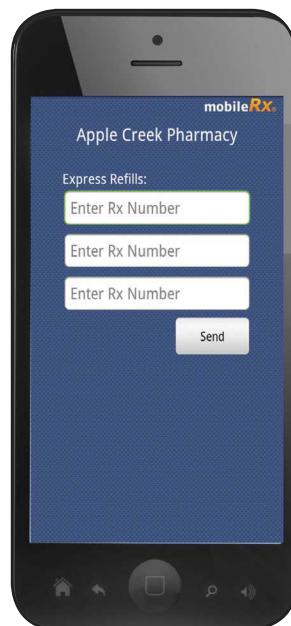

Scan the QR code to download the app, and enter your pharmacy's phone number (2528474311). That will take you to the home screen where you can choose from the different options for requesting refills:

Setup, Web-browser Version – Visit:

m.mobilerx.net/VidantEmployeePharmacy, and enter your pharmacy's phone number, area code first, with no spaces or dashes (2528474311).

Express Refills – This feature allows you to enter up to three prescription numbers to be refilled at a time. To request more than three refills, repeat the process.

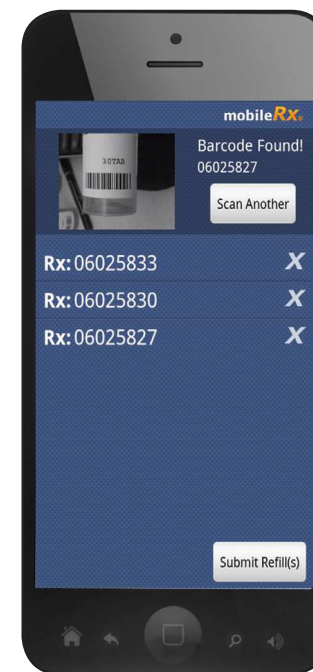

This feature notifies you instantly if prescriptions are accepted or if there is an error.

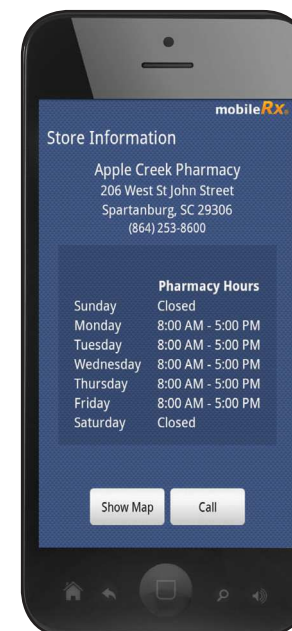

For assistance, please contact your pharmacy.

Scan a Prescription – Scan the barcode label on the prescription bottle, and click Submit Refill(s).*

Pharmacy Information – This option provides information about your pharmacy, including name, address, phone number and hours of operation.

**Not available in the Web-browser version*
