Planning for COVID-19
Greenville Update – March 19, 3 p.m.

OVERVIEW
Vidant Health continues to monitor and prepare for COVID-19. This is a rapidly evolving situation, and we will continue to provide updates as needed.

Resources
All team members are encouraged to visit MyVidant.org or VidantHealth.com/COVID-19 for the latest updates.

As a reminder, please make sure your contact information is up-to-date in PeopleSoft to ensure you are receiving Vidant Alerts. It is important you have a preferred phone number checked within the form so that you receive text messages when Vidant Alerts are distributed. Your work email is automatically set up as the preferred email for Vidant Alerts.

Changes to VMC Parking and Bus Transportation
Relaxed Parking went into effect today, March 19, at 2 p.m. and Campus Bus service will cease at midnight tonight (March 19) in support of limiting groups of people in a confined space due to COVID-19. This will remain in effect until further notice.

For the remainder of today, ECU Transit will provide additional buses to operate along with our Campus Bus service during times of high passenger loads. Please pay attention to the bus operator and self-limit to no more than ten occupants on each bus, including the operator (nine passengers per bus).

Team members may find appropriate parking in the following areas: (see the map here for details)

- Parking is always available in Lots B-3 and B-4
- Early-bird parking is always available in Lot B-2 for those arriving between midnight and 5 a.m.
- Relaxed parking is available in Doctors’ Park
- Relaxed Parking is available in Lots B-1 and B-5
- Relaxed parking is available in Lots A-2 and A-3 located near Venture Towers and Financial Services on the East side of campus
- Relaxed parking is available in Lot E-5, directly in front of the Pediatric and Orthopedic facilities
- Rehabilitation buildings, facing Stantonsburg Road
- East and west team members can cross zones during Relaxed Parking
- New parking area added near the ECU Division of Health Sciences. Review the parking map here.

Please do not park in any space that is designated for a specific use (Ex. Handicapped Parking, Patient Parking), unless you are qualified to use it. Parking areas not specifically included in this announcement are not part of Relaxed Parking.

Note: the F-1 lot behind the Cancer Center is not included in Relaxed Parking.
