OVERVIEW
Vidant Health continues to monitor and prepare for COVID-19. This is a rapidly evolving situation and we will continue to provide updates and communicate as needed.

Resources
All team members are encouraged to visit MyVidant.org or VidantHealth.com/COVID-19 for updates, which will include frequently asked questions. Click here to view current and previous alerts.

Operations
Updated: Health Care Worker Exposure Protocols
Read the updated COVID-19 Health Care Worker Exposure Protocols thoroughly for information on what to do if you or another health care worker is symptomatic or tests positive for COVID-19.

This information and guidelines within are critical to the safety of all health care providers, patients and visitors.
